

# AWS Free Tier Account Creation Steps

<https://aws.amazon.com/free/>

## Click on Sign into the Console

*fsrjgn*

## Click on Create a new AWS account

The screenshot shows the AWS sign-up page at `portal.aws.amazon.com/billing/signup#/start/email`. The page has a header with the AWS logo and navigation links. The main content area is titled "Sign up for AWS" and includes a section on the left about "Explore Free Tier products with a new AWS account." The right side contains the sign-up form with the following fields and buttons:

- Root user email address:** A text input field for the email address, with a note: "Used for account recovery and some administrative functions".
- AWS account name:** A text input field for the account name, with a note: "Choose a name for your account. You can change this name in your account settings after you sign up."
- Buttons:** A large orange "Verify email address" button, an "OR" separator, and a "Sign in to an existing AWS account" button.

The Windows taskbar at the bottom shows the date as 09-12-2023 and the time as 19:33.

**Provide KLU Email / Gmail Address & Account name is your Full Name then click on Verify email address. If you got error stating that account already exists with the email address given, then provide other email address.**

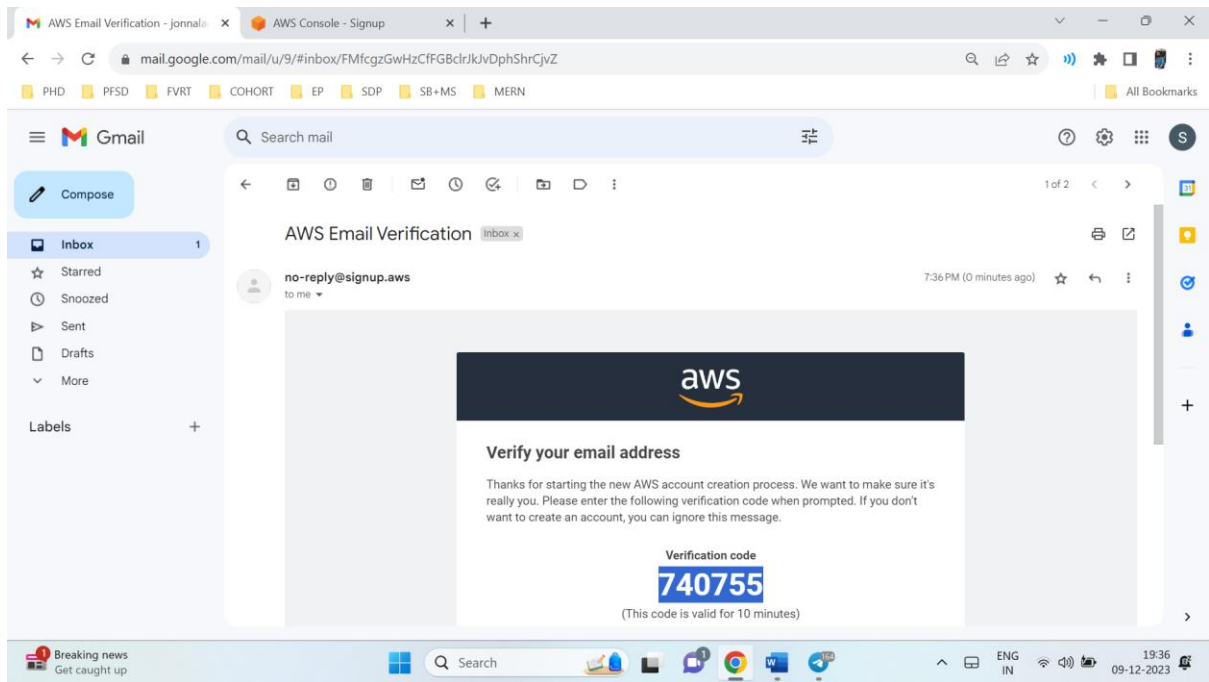

The screenshot shows the AWS sign-up page at `portal.aws.amazon.com/billing/signup#/start/otp`. The page is titled "Sign up for AWS" and includes a section on the left about "Explore Free Tier products with a new AWS account." The right side contains the verification form with the following fields and buttons:

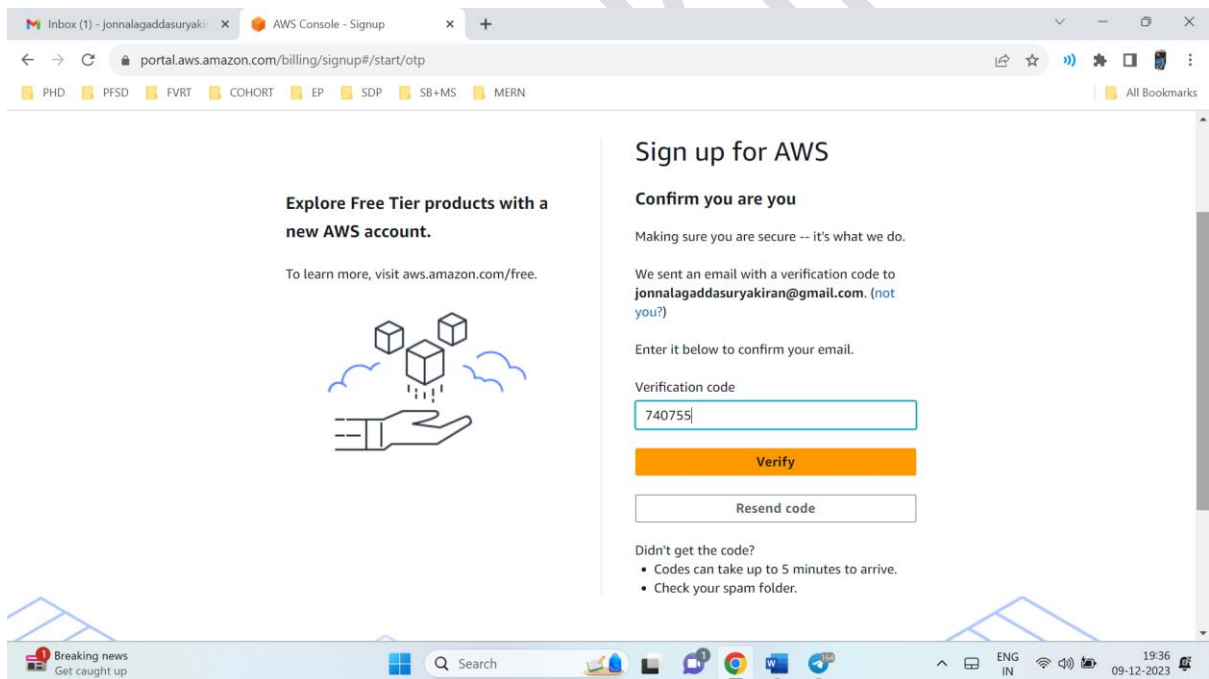

- Confirm you are you:** A section with the text "Making sure you are secure -- it's what we do." and a note: "We sent an email with a verification code to `jonnalagaddasuryakiran@gmail.com`. (not you?)".
- Enter it below to confirm your email:** A text input field for the verification code.
- Buttons:** A large orange "Verify" button and a "Resend code" button.

The Windows taskbar at the bottom shows the date as 09-12-2023 and the time as 19:36.

## Click on Go to the AWS Management Console

The screenshot shows a web browser window with the URL `portal.aws.amazon.com/billing/signup?redirect=success&awsbc-xcsrf-token=X2pZOGFZWWU1U19uc1BkOUdqX1RiSjNvaEplR3NLVE...`. The browser tabs include 'Inbox (2) - jonnalagaddasuryaki', 'AWS Console - Signup', and 'Mail - Surya Kiran Jonnalagaddi'. The page features the AWS logo, a rocket icon, and the text 'Congratulations. Thank you for signing up for AWS. We are activating your account, which should only take a few minutes. You will receive an email when this is complete.' Below this is a prominent orange button labeled 'Go to the AWS Management Console'. A link for 'Sign up for another account or contact sales.' is also visible. The browser's taskbar at the bottom shows the system clock as 19:48 on 09-12-2023.

## Select Role & Interests then click on submit

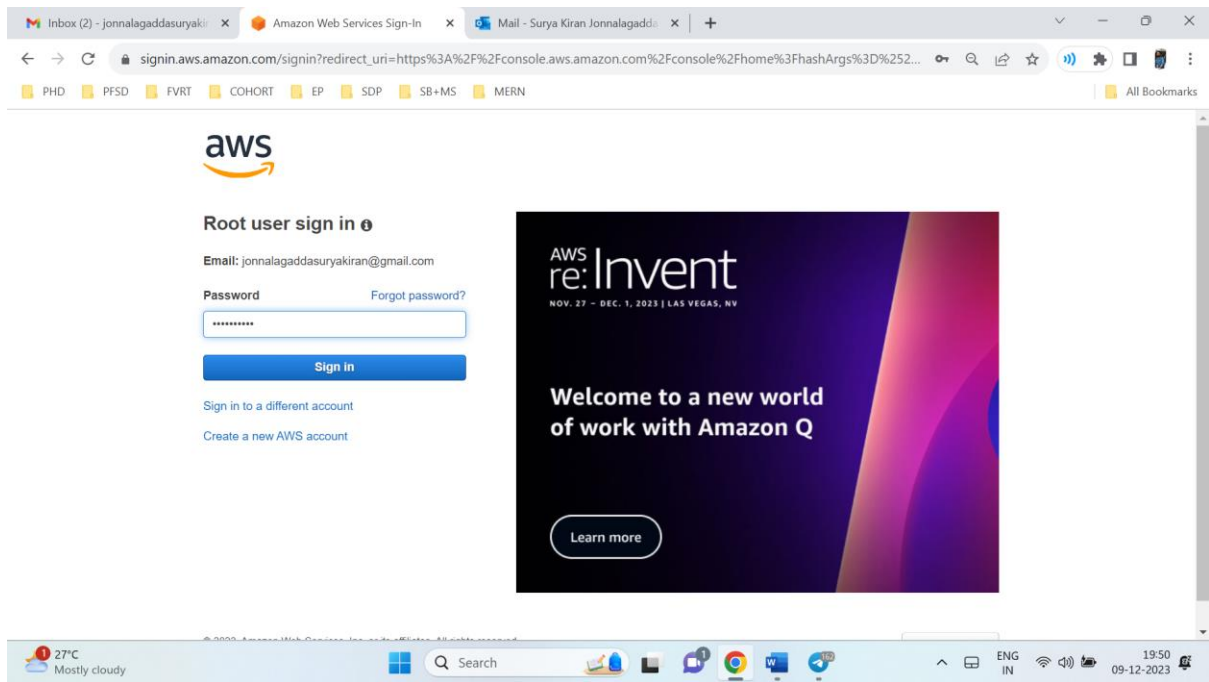

The screenshot displays the 'Registration Confirmation' page on `aws.amazon.com/aispl/registration-confirmation/`. The page has a dark header with navigation links like 're:Invent', 'Products', 'Solutions', 'Pricing', 'Documentation', 'Learn', 'Partner Network', 'AWS Marketplace', 'Customer Enablement', 'Events', and 'Explore More'. A 'Sign In to the Console' button is in the top right. The main content area has a purple-to-pink gradient background with the text 'Welcome to Amazon Web Services' and a message about account activation. To the right, there are buttons for 'Sign In to the Console', 'Check your tax details for accurate invoicing >>', and 'Contact Sales'. Below this, a section titled 'Personalize Your Experience' asks the user to fill in blanks for role and interests. The 'My role is:' dropdown is set to 'Academic / Researcher' and the 'I am interested in:' dropdown is set to 'Websites and Web Apps'. A checkbox for receiving AWS news is checked. At the bottom, there is a 'Submit' button. The browser's taskbar shows the system clock as 19:49 on 09-12-2023.

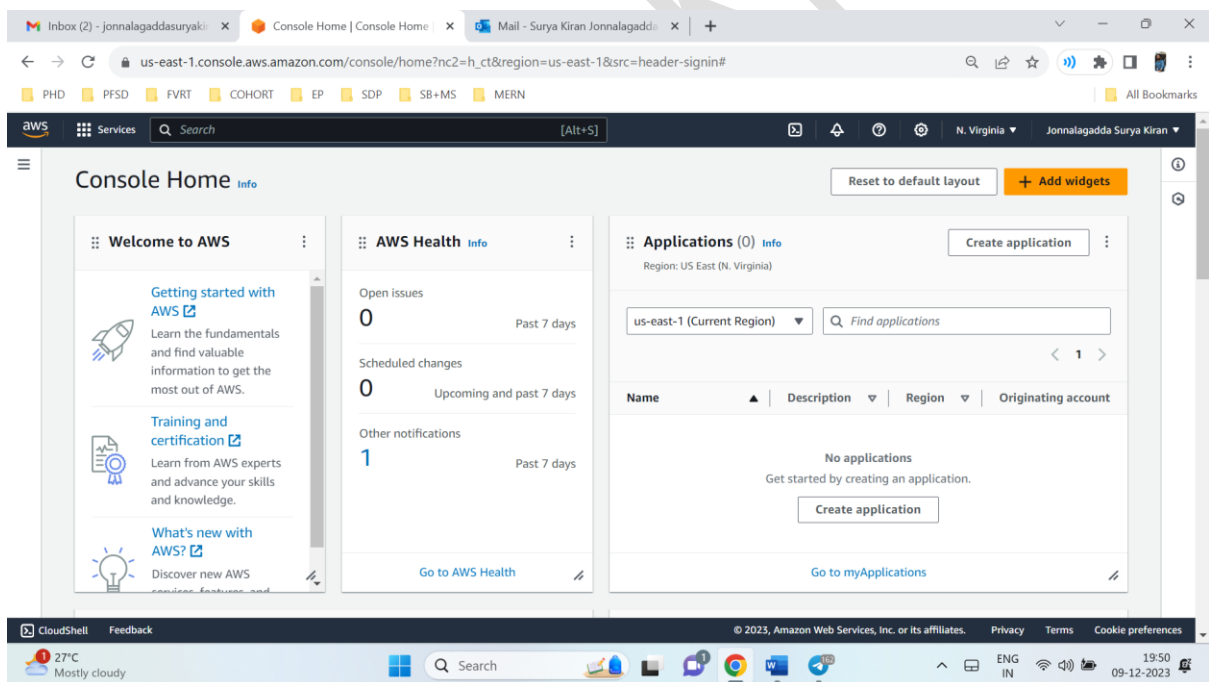

## Click on Sign into the Console

The screenshot shows the AWS Sign-in page in a web browser. The browser's address bar displays the URL: `signin.aws.amazon.com/signin?redirect_uri=https%3A%2F%2Fconsole.aws.amazon.com%2Fconsole%2Fhome%3FhashArgs%3D%252...`. The page features the AWS logo at the top left. Below it, the "Sign in" section contains two radio button options: "Root user" (selected) and "IAM user". The "Root user" option is described as "Account owner that performs tasks requiring unrestricted access." Below these options is a text input field for the "Root user email address" containing the placeholder text `username@example.com`. A blue "Next" button is positioned below the email field. At the bottom of the sign-in section, there is a link for "New to AWS?" and a button for "Create a new AWS account". To the right of the sign-in form is a large promotional banner for "AWS re:Invent" with the text "Welcome to a new world of work with Amazon Q" and a "Learn more" button. The browser's taskbar at the bottom shows the system clock as 19:49 on 09-12-2023.

This screenshot is identical to the one above, showing the AWS Sign-in page. The only difference is in the "Root user email address" input field, which now contains the real email address `jonnalagaddasuryakiran@gmail.com`. All other elements, including the browser address bar, the "Next" button, the promotional banner, and the system clock, remain the same.

This is AWS Management Console Home Page, the UI may be different for different users

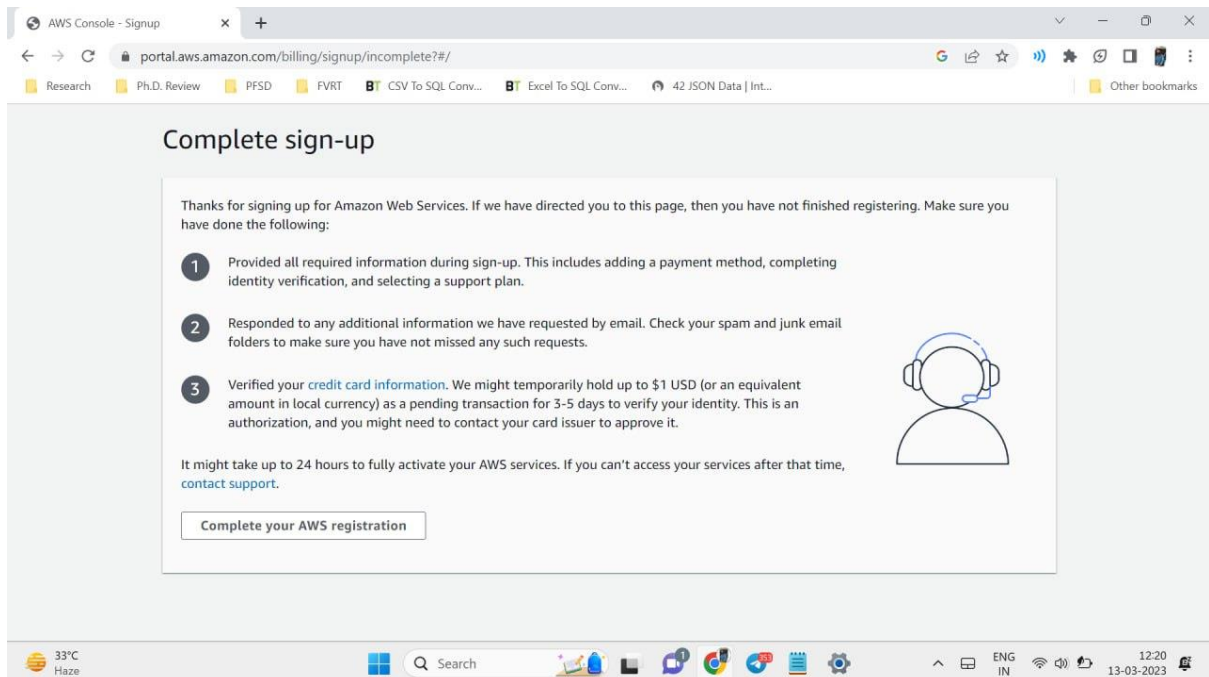

## Click on Billing and Cost Management

The screenshot shows the AWS Console Home page. The left-hand navigation menu is open, and the 'Billing and Cost Management' option is highlighted. The main content area displays the 'Console Home' dashboard with sections for 'Welcome to AWS', 'AWS Health', and 'Applications'. The 'Billing and Cost Management' menu is open, showing options like 'Account', 'Organization', 'Service Quotas', 'Billing and Cost Management' (which is highlighted), and 'Security credentials'. The 'Sign out' button is visible at the bottom of the menu.

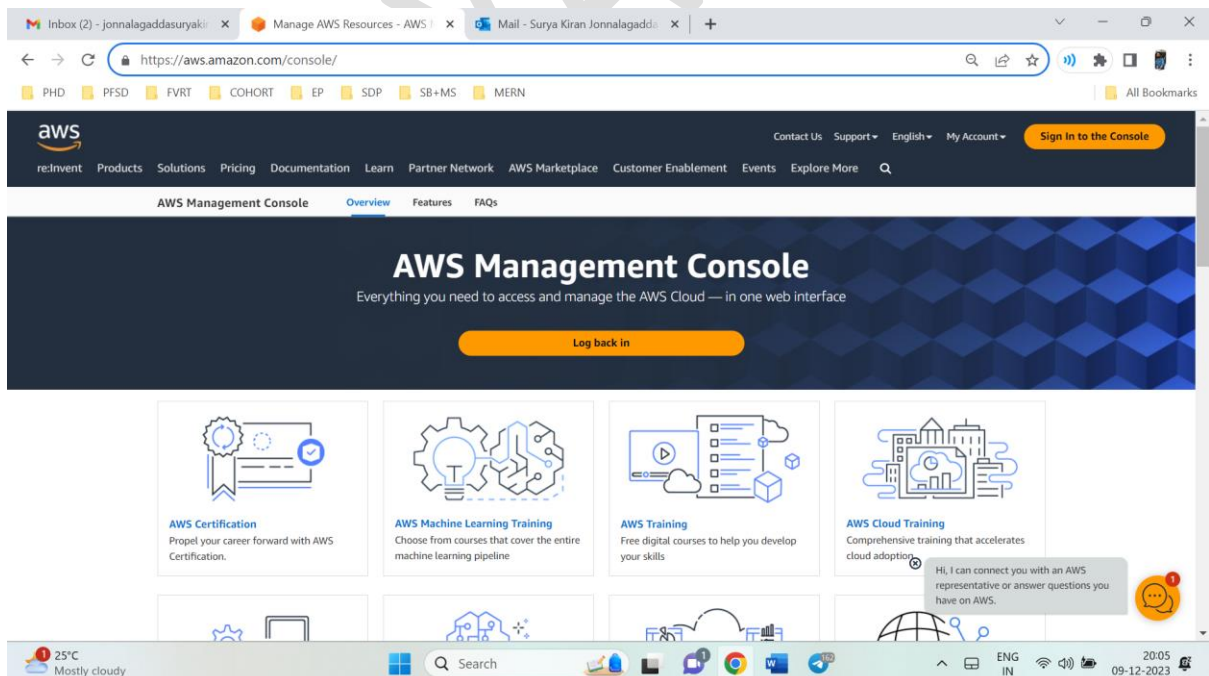

## Then Click on Bills in the Left-Hand Side

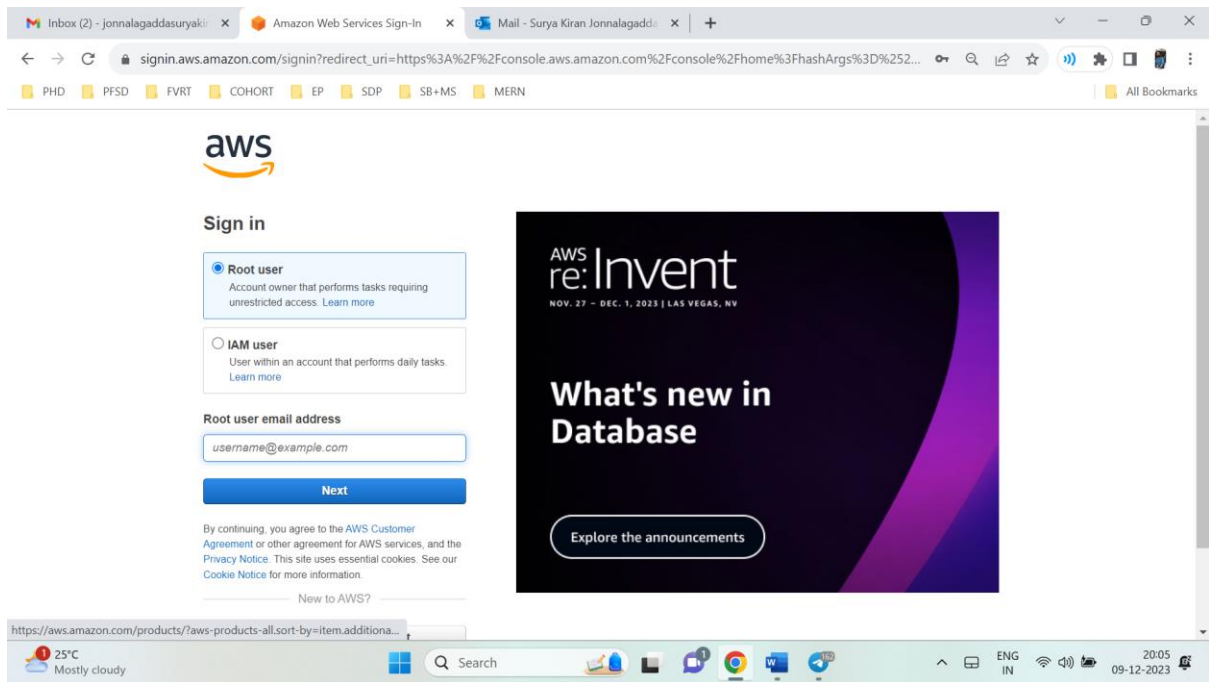

The screenshot shows the AWS Billing Management Console. The left-hand navigation menu is open, and the 'Bills' option is highlighted. The main content area displays the 'Bills' page, which includes a 'Download all to CSV' button, a 'Print' button, and a 'Billing period: December 2023' dropdown. The 'AWS bill summary' section shows the 'Account ID' as 981349079610 and the 'Billing period' as December 1 - December 31, 2023. The 'Estimated grand total' is displayed as USD 0.00. The 'Payment information' section is also visible.

**You will get the below screen if you don't complete payment verification successfully then you need to click on Complete your AWS Registration**

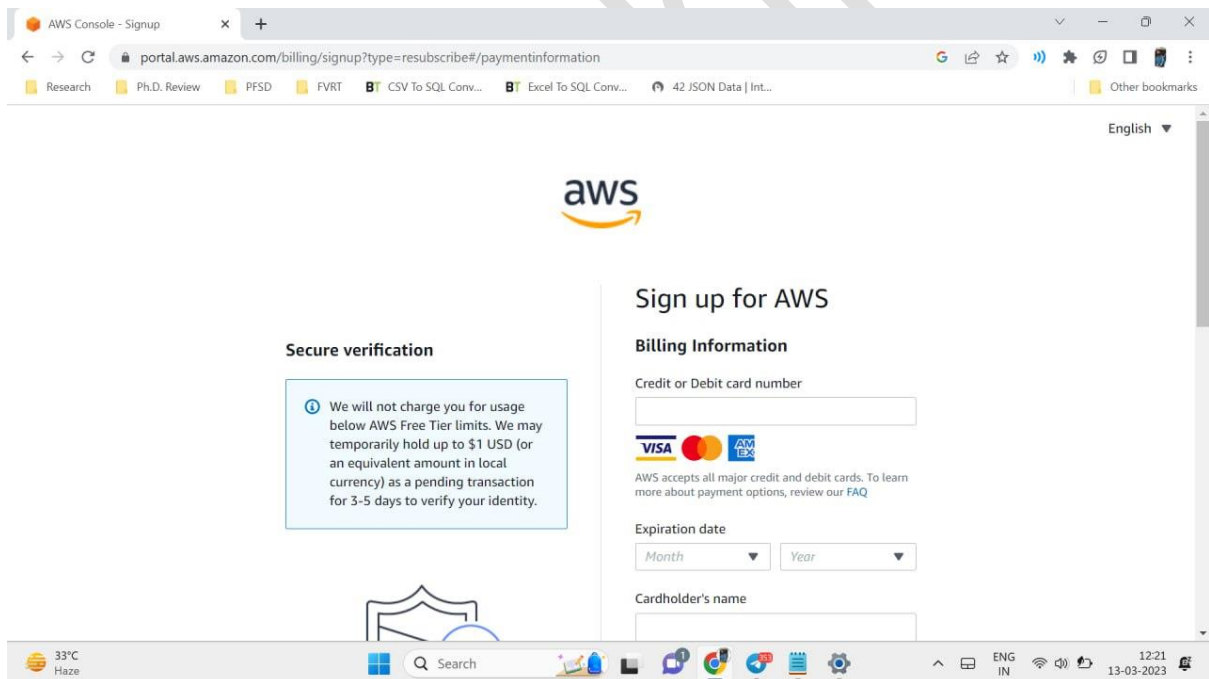

**Important Note: If you stopped the registration in the middle & If you want to continue payment verification later then you need to login <https://aws.amazon.com/console/>**

You will be redirected to “Billing Information” Page after Successful Login
